### Livery in Lockdown: an audience with the Lord Mayor, Alderman William Russell

**9th June 2020 9:30-10:30 am**

We are delighted to welcome the Lord Mayor, Alderman William Russell to share his thoughts on what the Livery are and could be doing in this time of crisis. Through his opening remarks and a question and answer session, he will reflect on:

- What are we doing? What impact are the City and Livery currently having.
- What more could we do? How would the Lord Mayor like the history books to describe the impact that the Livery made during lockdown.
- How can we help? What requests does the Lord Mayor have of the Livery in general, and the Financial Services Group (FSG) Companies in particular, to align our support.

This event is part of the "Actuaries invite the FSG" series. Donations to the Company of Actuaries Charitable Trust would be most welcome and used wisely. [Please use this link to make a donation by credit card.](#)
