The Evening's Activities...

What is Shrove Tuesday and why do we eat pancakes on this day?

To begin the evening, ensure your glasses are charged. Either source a bottle of your favourite from home, or join the Chairman of the Membership Committee and Chairman of the evening and her fellow South African “wino” Gerhard Perold and taste and learn about some top and amazing value for money SA wines. Details on how to purchase your Shrove Tuesday pancake and wine package in advance can be found [HERE](#).

WCCSA Chaplain Reverend Andy Rider will give us an insight into the meaning of Shrove Tuesday and its importance in the Christian faith and explain the significance of eating pancakes on this day.

Marianna Marks, author of 'Naked Baking' will teach us how to make the perfect pancake with the ingredients she sent out to those buying the Shrove Tuesday wine package.

After which, Marianna and our own Company Clerk, Keith Povey, will first “judge” your pancake creations (for those who want to test their culinary skills and to enjoy pairing them and the pancake ingredients with the wines chosen). Then they will go head to head, to our vote, to earn the prestigious title of 'Best Pancake Flipper' of the night!

The webinar itself is free and open to members, prospective members and friends of the Worshipful Company of Company Secretaries and Administrators. The “formal” part of the evening will be an hour long.

Please have a drink to enjoy – purchased or home sourced, pancake(s) to eat and your sense of humour to ensure we all enjoy a couple of hours of fun and networking. The informal extension of the evening will be for as long as we want to share time in conversation.

Join us for a fun and informative evening!
